AMENDMENT

Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

This Continued Prosecution Application (CPA) has been filed instead of preceding the appeal and takes into consideration the interview with the Examiner.

Please amend the above-identified application as follows.

IN THE CLAIMS:

Please cancel claims 16-38 without prejudice or disclaimer and add the following new claims to the application.

31
- -39. An adjuvant composition for parenteral or mucosal administration of antigens or vaccines to an animal, comprising one or more substances selected from the group consisting of:
